

NO JURY IN TRIAL OF MARY E. HUGHES

Whole Day Devoted to Examination
of Jurors to Hear Embezzlement
Case in Circuit Court

JUDGE CRAIG IS PRESIDING

Court Room is Crowded With People
This Afternoon, Standing Room
Only Being Available

The case of the State against Mary Ellen Hughes, age 22 years, a Rushville girl, got started this morning in the circuit court before Judge John Craig of Greensburg, special judge in the case, and before the case began the defendant entered a plea of not guilty to the charge of embezzlement.

At three o'clock this afternoon the jury had not been selected, and little hope was entertained for introducing much evidence today.

One of the largest crowds to attend a recent court hearing, was on hands this afternoon as the trial progressed. Standing room only was available. Many of the spectators were summoned also as witnesses, the state alone calling more than 30.

In the examination of prospective jurors, considerable time was taken with each, as many questions pertaining to the case were asked by each side. The defense referred to the defendant as the "girl on trial" and the state referred to her as the "woman on trial."

Miss Hughes was arrested October 20, 1922 on a grand jury indictment charging her with embezzlement and since that time she has been at liberty on \$1,000 bond.

The complaint against her alleges that she embezzled \$228.50 from the funds of the F. B. Johnson and Company drug store in this city, setting that out as the specific amount taken during a certain period of her employment.

The state's case will be outlined to the jury by the prosecutor, following the acceptance of the jury, and at this time the state will make it known what they will attempt to prove during the progress of the trial.

The plea of the defense also will be made known by their statement, which will probably follow the conclusion of the evidence by the state.

The attorneys representing Miss Hughes are C. W. Duncan of this city and Charles Tindal of Greensburg. The state is represented by Prosecutor Gates Ketchum, former Prosecutor Albert Stevens, and Donald L. Smith.

FOURTEEN DEAD AND 50 HURT IN TORNADO

Several Persons Unaccounted For at
Pineville, La., Where Cyclone
Does Heavy Damage

FIFTY HOMES DEMOLISHED

Alexandria, La., April 5—Fourteen persons were reported dead and fifty injured today as the result of a cyclone which struck Pineville, near here Wednesday night.

Several persons were unaccounted for today and relief parties searched through the wreckage for their bodies.

Fifty homes were demolished by the winds. The streets of the little town were strewn with debris and it will be some time before an estimate can be made of the damage done.

Boy Scouts and volunteer workers assisted in the relief work. The injured are being cared for in emergency hospitals.

The tornado passed over Alexandria, doing slight damage to homes. When it struck Pineville it had reached its fury.

Striking in the main street, it literally wrecked rows of business buildings and residences. Scores of box cars were blown from the tracks and trees uprooted by the fierce winds.

A suit on an account and a complaint for a divorce have been filed in the circuit court. Gladys Shinn is plaintiff in the action for divorce and Paul W. Shinn is defendant.

They were married October 28, 1920, according to the complaint. She also demands the custody of their two year old child.

In the complaint on an account, the Milroy Milling Company is plaintiff and Jesse Winkler, defendant, with the demand being at \$450 on an account alleged to be past due.

CITY QUARANTINE LAWS NOT OBEYED

Dr. J. M. Lee, City Health Officer,
Says Convictions are Impossible
Because People Back Down

PHYSICIANS ARE CAREFUL

No Cases of Whooping Cough Re-
ported Because Parents Are Re-
luctant About Calling Doctor

Dr. J. M. Lee, city health officer, today took exception to a statement appearing Wednesday night that local physicians were reluctant in reporting whooping cough and establishing a quarantine, and stated that he had questioned local physicians and learned that none of them have been called in cases of whooping cough, although it is a known fact that there are many cases prevalent.

Dr. Lee pointed out that the physicians in this city were exceedingly careful in enforcing the laws, but called attention to the fact that people don't like the idea of being under quarantine, and for that reason are not willing to summons a doctor for fear of being placed under the quarantine laws.

The health officer recalled incidents of this kind last fall when scarlet fever was prevalent, and that physicians were not called in many cases where children were having the fever in a mild form, and at the same time the children were permitted to associate with others, and the parents continued to leave their homes.

Even a mild form of a contagious disease suffered by one person, may cause another child to get the disease in a serious form, and may cause a death, because of someone's Continued on Page Six

SHOW PROGRESS IN CORRECTING DEFECTS

Pupils at Six Schools, Numbering
494, Examined by County Red
Cross Nurse During March

19 NURSING VISITS MADE

The month of March proved to be a busy one for Miss Grace Ewing, county Red Cross nurse, who has completed her detailed report for that period. Pupils at six schools were examined, with a total of 494 pupils being examined, and of this number 236 were found to have made some progress in having physical defects corrected since the last examination.

Her report shows that of those examined 123 were found to be 7 percent underweight, and 21 were 20 percent underweight.

During the month, she made 34 visits to homes of school children, 19 nursing visits were made and 9 new patients were added to her list, making a total of 161 visits during the period.

She also reports that 6 children were taken to doctors for treatment, and that she delivered two health lectures and gave hygiene lectures to Carthage high school girls.

LET CONTRACT FOR PLANT EQUIPMENT

City Councilmen Award Job Of In-
stalling Coal Bunkers To A Phil-
adelphia Concern

CONTRACT PRICE IS \$3,060

Money Saved With Coal Unloading
Device Is Expected To Pay For
Improvement In Few Years

The contract for installing bunkers for the coal unloading device at the city water and light plant was awarded last night to Allen-Sherman-Hoff Company of Philadelphia for the total contract price of \$3,060, and the other bid of the Green Engineering Company, East Chicago, was refused at \$3,805, because it was not believed their apparatus was adapted for the local work.

The council, which met regularly on Tuesday night and received the bids, postponed action on awarding the contract until last night, so that they could have more time in going over the two bids, and after a lengthy investigation, the contract was awarded to the successful bidder.

The contract for the coal unloader has been awarded several weeks, and as soon as the weather permits, a reconstruction of the present boiler room will be made, so that the new machinery can be installed.

The city plant has been spending a considerable sum each year in the handling of coal at the plant. Although the side track from the railroad reaches the plant, yet it is necessary for laborers to load the coal into the bunkers, and handle it several times.

By installing the coal unloader, it will mean that all of the work Continued on Page Two

ON CHARGE OF NONSUPPORT CHIEF AND TWO FIREMEN RESIGN

Quit Posts At Fire Department On
Account Of Council's Order Com-
pelling Uniforms

CAN'T AFFORD IT, THEY SAY

Will Remain On Duty Until Success-
ors Are Named—Many Applica-
tions For Vacancies

The resignation of Joe Williamson, chief of the fire department, was handed to Mayor Walter Thomas Wednesday night, when the councilmen were holding an adjourned meeting from Tuesday night and two other firemen, James Brown and Newell Finney, also resigned.

The three resignations came as a result of an order issued by the council Tuesday night, compelling the firemen to buy uniforms, and to which the three firemen took exception.

Chief Williamson, who headed the delegation, stated that his salary nor the salaries of the firemen would justify the investment in uniforms, and that they could not work on the department with expensive clothes which would be threatened with damage at any time during a fire.

The chief of the department draws a salary of \$93.32 a month, and the two firemen who have resigned draw \$85 a month. Two other members draw \$90 a month, and all firemen are subject to increase every six months, from the point of service.

John Willis and Leslie Downey, two of the older members of the department, recently purchased uniforms, and Will Moffit has worn a uniform for several years. The appearance of these three firemen was regarded as most satisfactory by the council, and they made the order compulsory that all firemen should be uniformed.

As a result of the order, the suit problem was the chief bone of contention, and worked itself into the shape where the three members decided to quit and permit the councilmen to place men in the station who would comply with their order.

The three firemen are remaining on duty until their successors can be appointed. The chief is appointed by the mayor, who has not filled the vacancy. The council committee on the fire department is being swamped with applications for the other two places, one for the driver of the chemical engine, and the other as an Continued on Page Six

WARNED NOT TO ABUSE AUTHORITY

Newly Sworn in Constables of Horse
Thief Detective Association In-
structed by President

CLASS OF 29 IS INITIATED

Mission of Constable is Not to Dis-
play Badge and Flourish Gun,
But to Uphold the Law

A warning that members of the Rush County Horse Thief Detective association, Company No. 190, appointed constables under the law creating the organization, should not misuse their power and authority, was sounded by Will M. McMillin, president, at a special meeting in the court house Wednesday evening, when a class of twenty-nine candidates was initiated and about a score of members were sworn in as constables.

Mr. McMillin made it plain that Company No. 190 would not uphold any member made a constable, who abused his authority, and pointed out that steps would be taken to withdraw the appointment as a peace officer and expel the member if infractions of the rules were reported.

"This is an organization to uphold the law," said Mr. McMillin, "and our members are not appointed constables to display their badges and flourish guns."

"You are sworn to support the law on all occasions," the president told the newly appointed constables. "The law is the law regardless of what it may provide. If we do not believe in any particular law, it is not our place to permit violation of it. In such cases, the thing to do is to work to have the law repealed when the proper time comes."

Mr. McMillin made it plain that one of the principal aims of the organization is to wipe out the illicit trade in intoxicating liquor and urged members ever to be on the alert for violations of the prohibition laws.

"This is not an organization for bootleggers or manufacturers of whiskey," he said, "and if there is such individual or individuals in this organization, they may as well obey the law or leave our company."

Captains are being appointed in the several communities where the members of Company No. 190 live and they are being asked to name their lieutenants who will be subject to call at any time. It is the aim of the officers of the organization to form a compact organization that may be recruited in short notice in cases of emergency where their services are needed.

Company No. 190, under the leadership of Mr. McMillin, did a notable piece of work last year when they traced down a firebrand who caused the destruction of four valuable barns in Rush county. Four days and nights were spent by members of the association and a deputy state fire marshal in following the trail of the man who was responsible for the fires, but he was finally apprehended and is now serving a term in the penitentiary. The incendiary fires stopped following his capture.

GERMANS PROTEST FRENCH KILLINGS

Vigilant Note Based On "Massacre
Of Thirteen Workmen At Essen
Delivered At Paris

SATISFACTION IS DEMANDED

France Seeks Argument With Brit-
ish On Reparations To End The
Ruhr Deadlock

(By United Press)

Paris, April 5.—The German government through its embassy here today delivered to France the most violent protest yet made against the occupation of the Ruhr.

The note protests against the killing by French soldiers of thirteen workmen at the Krupp works in Essen on March 31, which is described by the note as "massacre."

The German government, the note concludes, "demands full satisfaction for the victims and their relatives, as well as the immediate return of the persons murdered to cover the French guilt."

By LLOYD ALLEN

(U. P. Staff Correspondent)

London, April 5.—France today sought agreement with Great Britain on the reparations question and an end of the Ruhr deadlock.

The French are understood to have made important concessions with a view to renewing the Franco-British entente.

Louis Loucheur, leading industrialist of France, conferred for two hours with Premier Bonar Law at Dawlish. For two days Loucheur has been in secret conference with Stanley Baldwin, acting premier. Bonar Law's absence from London, Loucheur also spent last week with former Premier Lloyd George.

An important change in France's Ruhr and reparations policies is believed to have taken place.

Loucheur, a former cabinet minister, is an unofficial envoy, but in view of his tremendous power in France, none could speak with greater authority for his country.

It is reliably reported that Loucheur and Baldwin reached a quasi-agreement regarding compromise of French and British views.

FOSTER TRIAL JURY HOPELESSLY TIED UP

Eleven Men And One Woman Will
Probably Be Kept Locked Up An-
other Day, Judge Indicates

ARE ABOUT EVENLY DIVIDED

(By United Press)

St. Joseph, Mich., April 5.—The jury in the trial of William Z. Foster, alleged communist, was apparently hopelessly deadlocked this afternoon.

The eleven men and one woman will probably be kept locked up for another day in an effort to force them to reach a decision, Judge Charles E. White, indicated.

During the noon luncheon the jurors showed the strain they have been under since deliberations began at 10 a. m. Wednesday. Although the face of the only woman juror was flushed, she appeared the calmest in the jury room. She was reported leading the faction holding out for acquittal.

Gossip in the court room was that the ballots stood six for acquittal and six for conviction.

In the corridors, the loud voice of Mrs. Olsen, arguing with several men, was frequently heard.

When the jury was brought into the court room after the night rest, the woman's jaw was set and she had a determined look in her eyes.

Foster, alleged communist charged with violation of the Michigan syndicalist law, and Frank P. Walsh, his attorney, were greatly pleased over the prospect as hours after the jury passed without a verdict being reported.

A representative of the Van's Dog and Pony Show appeared before the council in an effort to get their cooperation on a project to bring his show to this city for a free exhibition in conjunction with a spring festival or bargain day by local merchants. The plan was given the sanction of the council, provided that he could interest the merchants.

He was referred to the county commissioners for the use of a stage erected in the court house lawn, and the representatives stated that he wanted to make the bargain day on Saturday April 14.

Rochester—Final argument will be heard April 23 in the battle of Emily and Ellen Bartlett, widows No. 1 and No. 2 of late John Bartlett, over administration of his estate.

AMUSEMENTS

Coming To The Princess

A whole section of New York's lower East Side, the famous Ghetto of the metropolis, was constructed at the Metro studios in Hollywood for "The Five Dollar Baby," the Irvin S. Cobb short story in which Viola Dana is starring at the Princess Theatre Friday and Saturday.

Since it was hardly practical to erect a second Statue of Liberty and Brooklyn Bridge for the purpose of the screen, it was necessary to shoot several scenes on New York's waterfront, with its famous harbor skyline in the background. This series of unusual views were used in connection with the settings constructed at Hollywood.

It was first planned to send an entire company to New York for the making of the picture. This project was abandoned, however, when it was decided that better results could be obtained by taking the New York scenes on streets constructed for the purpose with extras engaged for the particular occasion, rather than with pedestrians who might be expected to flock to the camera during the taking of a picture in the Ghetto.

Harry Beaumont directed the photoplay. The adaptation of the Cobb story for the screen was done by Rex Taylor. The photography was done by John Arnold. A. F. Mantz was art and technical director.

"Don't Blame Your Children" to be seen Friday at the Mystic, is a strong story of stern parents rearing a family of girls. The first directions the girls remember from the stern father was a series of "Don'ts."

The punch in the story is when the elder daughter took her affair in her own hands. She did as she pleased, at first quietly and without the knowledge of the parent, then when it was known to the parents she told him to jolly like it or jump in the lake. After a series of dramatic incidents she paved the way for her younger sister and younger brother to make their own happiness and in the bargain she converted the father into the new way of ruling by love and understanding rather than by a strict course of "Don'ts."

The above is a background for a real motion picture entertainment. The story running through it dovetails into the foregoing, yet concerns itself more with the father and his business affairs which prove to be unworthy of setting up a code of morals. In the end he owed much to the elder daughter for

showing him the difference between the right way and the wrong way.

DO GOOD TO ALL MEN: —
Let us not be weary in well doing;
for in due season we shall reap, if
we faint not.

Upholding The Law

The warning to constables of the
Horse Thief Detective association
that they should not flaunt their
authority with the flourish of pis-
tols and the display of their badges
is both timely and most wise. Great
danger might arise from the indis-
criminate placing of power to ar-

rest in the hands of persons not se-
lected by the people as guardians of
the law.

The idea back of this organization
is splendid—the thought to build up
a strong association of men sworn
to uphold the law and support the
arms of the law represented by those
legally selected for that purpose. The
main thing which the organization
needs to guard against is wrongful
use of the power which is vested in
those appointed and sworn in as
constables.

The association has been gaining
recruits fast in recent months, not
alone in Rush county, but elsewhere
in Indiana, on account of the grow-
ing sentiment in favor of law obser-
vance and opposed to the general
disregard for constituted authority.

Nothing will have a more quieting
and beneficial effect on willful viola-
tors of the law than the organization
of a militant body of men who take
the oath to uphold the law on all
occasions. The moral effect of the
organization is the thing to be de-
sired and all lovers of good govern-
ment are hoping that the constables
that are being created by this asso-
ciation will not have to use their
authority in preserving the peace of
their respective communities and
upholding the dignity of the law.

The National Horse Thief Detec-
tive association has been in exis-
tence for sixty years. Although a se-
cret organization, it operates in the
open and its purpose is known to ev-
eryone. Its aims can not be ques-
tioned, but rather are deserving of
praise. The program for the future
should be to guard zealously the
splendid reputation that it has for
good motives and the exercise of
good judgment, and not to permit the
power vested in its representatives
by the law to fall into indiscreet
hands.

The reception here Saturday night
honoring James E. Watson, Repub-
lican nominee for governor, and
Frank J. Hall, democratic nominee
for lieutenant governor, both resi-
dents of this "no mean city" was a
non partisan affair and hundreds
came from the neighboring cities on
special trains and cars and heartily
joined in the grand ratification and
unification jubilee. All the people
united to make the demonstration a
notable one. Flags and bunting were
displayed everywhere. The recep-
tion took the form of three meetings.
The first was held in the Kramer
rink. The Rev. W. H. Clark, presided.
The second meeting was held in the
Grand Theatre. John M. Stevens act-
ed as chairman. The third meeting
was in the court house where Riley
Zorne presided.

A delightful open meeting of the

Tuesday night, beginning promptly

ELECTION CONTEST CASE GETS UNDER WAY

Will M. Sparks Sitting as Special
Judge in Trial Starting in Brook-
ville This Morning

CONTEST FOR TWO OFFICES

Brookville, Ind., April 5—Trial of
the election contest appeal case of
William L. Chambers and Oren P.
Masters vs Henry J. Meyer and
Thomas H. Feltz got under way in the
Franklin circuit court this morning
with Judge Will M. Sparks of Rush-
ville sitting as special judge. Motions
by the defendants to dismiss the
case were overruled March 19 by
Judge Sparks. Mr. Chambers, Repub-
lican, is contesting the election of Mr.
Meyer, Democrat, to the office of
county clerk and Mr. Masters, Re-
publican, is contesting the election
of Mr. Feltz, Democrat, as county
treasurer. The case was appealed by
the plaintiffs from the county com-
missioner's court last December af-
ter the commissioners sustained a
motion of the defendants to dis-
miss the suit on the ground that sepa-
rate complaints should have been
filed by the plaintiffs.

Joe Keighn, who was arrested sev-
eral days ago following a raid on a
still two miles west of Laurel,
probably will be arraigned Thursday
morning. He is being held in jail on
a charge of unlawful possession of a
still.

Walter Wicker, who was arrested
last week on a grand jury indictment
charging unlawful manufacture of
liquor, also probably will be ar-
raigned Thursday. It is said that
Wicker is believed to have been
connected with the Cracker Ridge
affair several weeks ago, when an
armed band of moonshiners defied
the officials and terrorized the
northwest part of Franklin county.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr.
Edwards' Olive Tablets

The secret of keeping young is to feel
young—to do this you must watch your
liver and bowels—there's no need of
having a sallow complexion—dark rings
under your eyes—pimples—a bilious
look in your face—dull eyes with no
sparkle. Your doctor will tell you ninety
percent of all sickness comes from
inactive bowels and liver.

Dr. Edwards, a well-known physician
in Ohio, perfected a vegetable com-
pound mixed with olive oil to act on the
liver and bowels, which he gave to his
patients for years.

Dr. Edwards' Olive Tablets, the sub-
stitute for calomel, are gentle in their
action yet always effective. They bring
about that natural buoyancy which all
should enjoy by toning up the liver and
clearing the system of impurities.

Dr. Edwards' Olive Tablets are known
by their olive color. 15c and 30c.

FINALS AT INDIANAPOLIS

Now is Ninety-SixBy HEZE CLARK
(Written for United Press)

Indianapolis, Ind., April 5.—The state track and field championship meet of the Indiana High School Athletic association will be held in Indianapolis, Saturday, May 19. It will be the first time in about ten years that the high school state meet has been held in Indianapolis. Sectional meets will be held May 12 when the thin clad athletes will qualify to compete in the state meet.

It is unfortunate that both the high school and college meets are scheduled for the same day. The college meet will be at the Earham athletic field in Richmond. While it is admitted that the college men will make the best records and that some of their contestants will be among the best athletes in the world still there is plenty of interest in the high school meet.

Ninety six high schools have sent cards to A. L. Trester, permanent secretary of the I. H. S. A. A stating their track men will participate in the district meets. This number probably will be increased to 125 or even more before the entries close.

Coach Black's Technical high school team of Indianapolis won the state track and field championship in 1922, but Tech has lost most of its stars. Wabash the team that won second last year has been hard hit for Marks star hurdle man and all around star who set a new record in the 220 yard hurdle last season has graduated. This means that it would be difficult this early in the season to select a school that might win the championship.

DIXIE DUST

Vicksburg, Miss.—The old squeeze play in the ninth inning with Babe Ruth scoring on Bob Meusel's bunt gave the Yanks a 2-1 victory over the Brooklyn Robins.

Shreveport, La.—Jimmy O'Connell, the Giant's \$75,000 star, made two bad errors and the Giants lost to the White Sox 7-4.

Augusta, Ga.—George Daus, veteran Detroit pitcher, has been selected by Manager Cobb to oppose the St. Louis Cards in the first of a series of games scheduled to start here Saturday.

Lakeland, Fla.—In a benefit game for the Southern College and Lakeland high school, the Indians defeated the Lakeland, Fla. state league team 14-2.

Dorchester, Va.—The Phillies stopped off at Wilson, N. C., yesterday and defeated the Wilson team 12 to 2. On Saturday, in Philadelphia, a four game series will start with the Athletics.

Winston, Salem, N. C.—The Athletics and Baltimore internationals were scheduled to play here today.

Tampa, Fla.—The pitching staff is still the great problem of the Senators. Two recruits from the Tampa team of the Florida League may be given early tryouts.

San Antonio, Tex.—The Cubs will meet the San Antonio club here today. Three recruits, yet to be named, will be turned over to the Wichita Falls, Texas league club.

SIXTEEN TEAMS LEFT

Chicago, April 5.—The wheat was rapidly being sifted from the chaff in the national basketball tournament at Barlet gym today. Sixteen teams battled today to remain in the fight for the national honors.

FOR REMOVAL OF TONSILS

Miss Ruth Martin underwent an operation at the Dr. F. H. Green hospital Tuesday, for the removal of her tonsils. She is improving nicely.

WARNED NOT TO
ABUSE AUTHORITY

Continued from Page One
90, complimenting the organization for its splendid work in aiding law enforcement officers, was read at the special meeting last night. Copies of three new liquor laws passed by the last general assembly were enclosed and were referred to officers for study, the league urging the rigid enforcement of the measures.

One of the bills makes compulsory a jail sentence ranging from one to six months, on the first offense against the statute making the manufacture and sale of intoxicating liquor unlawful.

Another of the new laws makes possession of a still or any distilling apparatus a felony punishable upon conviction with a prison sentence of one to five years and a fine of \$100 to \$1,000. One clause says the court shall not suspend sentence if the defendant shall previously have been convicted.

Section two of this law provides "Search warrants to search any place for still or distilling apparatus may be issued as now provided by law for searching for intoxicating liquor. The possession of any still or distilling apparatus not registered according to the provisions of the laws for the United States shall be prima facie evidence that such possession was for the purpose of manufacturing intoxicating liquor."

The third law referred to make transportation of intoxicating liquor a felony, punishable with fine and imprisonment as in the above mentioned law, and also contains the same clause prohibiting suspension of sentence in cases where the defendant has previously been convicted or entered a plea of guilty.

The class of 29 initiated last night was composed of the following: O. C. Leisure, Rushville, R. R. 8; Roy E. Black, Mays, R. R. 1; Hugo J. Roemer, Metamora, R. R. 1; T. L. Beher, Carthage; Harry Gosnell and Ralph Gosnell, Rushville R. R. 4; Bert Garrison, Metamora; Irvin Walker, Mays, R. R. 1; Raymond and Earl VanMeter, Laurel; William C. Blair, Rushville, R. R. 5; Lawrence Harmon, Mays, R. R. 1; Leedie Fair, Rushville, R. R. 5; John W. Starke, Rushville R. R. 5; and the following from Rushville—Walter Sterrett, George Brown, Charles F. Lamberon, Roy E. Harrold, Thomas Gardner, Orrin Miller, Clarence Price, Russell Farthing, Fred McGinnis, Leslie C. Downey, George Urbach, William Worth, Roy Walton, and Paul W. Oren.

DON'T FUSS WITH
MUSTARD PLASTERS!

Musterole Works Without the
Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole.

Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of mustard plasters, and will not blister.

Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it may prevent pneumonia). 35c and 65c jars and tubes.

Don't Want Firpo Clever

By HENRY L. FARRELL

New York, April 5.—When he learns how to box and gets so he can move around, Luis Angel Firpo will be a great heavyweight, the verdict read after the jury of experts had seen the giant South American club Bill Brennan to the mat with a wild swing of a cave-man.

"Let him get clever before he talks about Dempsey. No swinging will do good without boxing," said all of them but Jimmy De Forest.

Jimmy, wise old veteran of the ring and the best teacher in the country, is handling Firpo and trying to do what he did with Dempsey whom he took in the rough, a green, wild swinger, and made him champion of the world.

"There's one thing I don't want him to do, and that's get clever. He doesn't need it. All he needs to learn is to hit straight and use his left hand, and he'll be there. A man who can take a punch like he can and hit like he can doesn't need any cleverness," De Forest says.

Jimmy also figures that Firpo is too heavy and that he can do his best work at about 215 pounds. He weighed 235 when he came up from South America, and De Forest had to work ten pounds off him before he went against Brennan.

Firpo is being advised too well now to be led into a match with Jack

Dempsey or Tom Gibbons. Against a rather slow opponent, like Brennan, or a light tapper, like Roper, Firpo is perfectly able now to hold his own. He would be almost sure to be knocked out, however, if he opposed a good boxer, fast-moving, double-handed puncher like Dempsey or Gibbons. The South American also has to get in better condition. He was weary from his own exertions several times in his fight against Brennan, and until he removes some of the flabbiness around his belt he will be in danger whenever he goes against a hard body puncher.

HELP FOR GIRLS WHO WORK

G. Lodie Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Tyrone, Pa.—"A friend told my husband how Lydia E. Pinkham's Vegetable Compound had helped his wife, so my husband bought me a bottle because I was so run-down, had a nervous weakness, no strength in my body and pains in my left side so bad that I could hardly do my work. Before I was married I used to work in the factory, and I had pains just the same then as I have had since I have done my housework. I would not be without a bottle in the house now. It has stopped the pains all right and I have found out that it is a wonderful body builder, as it has made me well and strong. It is going to be the 'old reliable' with me hereafter, and I am always willing to tell other women how it has helped me. You can use this letter as you wish as I can honestly say that my words are true."

Mrs. M. Lodie, R.F.D. No. 4, Box 40, Tyrone, Pa.

Letters like this bring out the merit of Lydia E. Pinkham's Vegetable Compound. They tell of the relief from such pains and ailments after taking Lydia E. Pinkham's Vegetable Compound.

Chamness of Wabash, which took place last Wednesday in Wabash.

A wedding of a great deal of interest is the marriage of Miss Eleanor Dudgeon, daughter of R. H. Dudgeon of Rushville and David Chamness of this city, which took place this afternoon at three o'clock at the parsonage of the First Methodist Episcopal church on west Sinclair street. The double ring ceremony was read by Rev. H. L. Overdeer. The bride was charmingly dressed in a brown dress of canton crepe with brown hat and shoes to match. She carried a bouquet of bride's roses. Miss Dudgeon is a graduate of the Rushville High School and also a graduate of the Wabash Hospital Training school for nurses. Mr. Chamness graduated from the Lafontaine High School and served a time overseas during the World War. He is now employed at the Wabash Post Office. The young couple will make their home on the Walnut Tree Pike, south of the city.

Mrs. Errol Stoops entertained a number of little folks Wednesday afternoon at her home in North Perkins street, honoring the third birthday of her son Delton. The little guests enjoyed a most delightful afternoon with games and contests. Woodford Moore being the winner of the contest and Katherine Barringer received the booby prize. Delicious refreshments were served to the little children at the close of the party. Those present were Genie Ball, Woodford Moore, Katherine Barringer, Mary Margaret Newkirk, Junior Newkirk, Richard Harmon and Ruth O'Brien.

The officers and captains of Dr. Gilbert's Sunday School class of the Main Street Christian church, were graciously entertained Wednesday afternoon at the home of Mrs. William Knecht in North Main street. The beautiful home was made more attractive by potted plants and bouquets of cut flowers. A program was rendered, Mrs. Hugh Manzy giving several piano numbers; and Mrs. Carl Beher and Mrs. Derby Green sang two beautiful duets. A clever one act play entitled, "A Lady to Call," was presented by Mrs. Ezra Hinkle, Mrs. A. W. Wilkinson and Mrs. Joe Clark, and was highly praised. At the meeting the officers and captains decided to take up studies in the Public Service Club for the following year. At the close of the delightful program, delicious refreshments of cake, whipped cream and coffee were served.

Mrs. Paul Phillips, assisted by Miss Frances Bowen, delightfully entertained the members of the Psi Iota Xi sorority Wednesday evening at her home in North Perkins street. During the business meeting the sorority made plans for a rummage sale to be held the last Saturday in this month, April 28, the proceeds of which will go toward the James Whitecomb Riley Memorial hospital fund. An informal social hour was held following the business session and the hostess served dainty refreshments.

Mrs. Kennard Allen was hostess to the members of the Tri Kappa sorority Wednesday evening at her home in North Harrison street. Nothing of importance was transacted during the business meeting. A short program following the business session was in charge of Mrs. Allen and Mrs. Will Norris. Light refreshments were served by the hostess at the close of the meeting.

TO START NATION WIDE DRIVE ON TAX DODGERS

Thousands Of "Warrants Of Distrain" Will Be Issued In Cities Throughout The Country

FEDERAL GOVT. HAS CHARGE

By WILLIAM J. LOSH
U. S. Staff Correspondent

Washington, April 5.—A nation wide drive against tax dodgers has been started by the federal government, it was announced today at the bureau of internal revenue at the treasury department today.

"Thousands of the so-called 'warrants of distrain' will be issued in cities throughout the country in a gigantic effort to force the payment of all back taxes due the government."

These warrants call for the seizure and sale of the property of all delinquent tax payers and tax dodgers.

The first move of the federal government in the drive was made at Kansas City where 500 of the distrain warrants were issued. The warrants will be issued in other cities just as rapidly as the clerical forces of the collector's office can prepare the necessary papers.

SPIRITS CAUSED DEATH?

New York, April 5.—Powerful "elementals" or spirits placed on guard by Egyptian priests to protect the tomb of Tut-Ankh-Amen may have caused the death of Lord Carnarvon discoverer of the Pharaoh resting place, Sir Arthur Doyle declared in an interview here today.

These "elementals," Sir Arthur, the world's most noted exponent of spiritualism, explained, are not spirits in the ordinary sense in that they have no souls.

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

negligence in obeying the health laws, it was pointed out.

One instance of whooping cough was called to Dr. Lee's attention this week of a child of school age attending a picture show, and at the same time having whooping cough.

The picture was an attraction that appealed to children, and the theatre was well filled with youngsters. The person who had charge of the school child, told someone that there was no one at home to leave him with, so she just brought him along.

"People of this kind have no regard for the rights of others," said Dr. Lee, "just so they themselves can get about—one cannot secure prosecution because those whose testimony would serve to convict, back down when asked to prove it. However we know conditions were as stated."

Continuing Dr. Lee stated, "It is time some of our people realize others have rights that must be respected. If one child has it mild, that is no reason that it should be allowed to endanger others. Whooping cough is often mild, but it is serious and often leaves a bad after effect that takes years to overcome and in a young baby under 3 or 4 years, it is one of our most fatal diseases.

"Many people think children have to have these diseases. They do not have to and it is only because of careless, thoughtless and selfish people who will not keep their children at home when they have the diseases in forms too mild to call in a doctor, that spreads them, and causes some child to lose its life as a result."

DON'T GET UP NIGHTS

This Symptom Tells You There Is Danger Ahead. J. H. Horton Believed at Seventy

J. H. Horton, W. Graham, Va., says: "I was told that getting up nights was a disease that belonged to old people. I have found different. I have taken Lithiated Buchu (Keller formula) a short time and now I am normal. I had to get up 7 or 8 times a night. I have been troubled for 40 years. Will gladly tell anyone personally. Lithiated Buchu (Keller formula) acts on the kidneys and bladder like Pepsin acts on the bowels. It cleans them out, relieving the bladder of many abnormal deposits. These tablets cost 25 cents. This price makes it possible to place in the formula several drugs which are useful for relief. The formula is on the package. It is not likely you have ever taken anything similar. Try a few tablets for backache, scalding, scanty or high-colored urine, and frequent desire at night. Be sure to get the Keller formula. Lithiated Buchu at all drug stores, or write Keller Laboratory, Mechanicsburg, O., or locally at Pitman & Wilsons.—Advertisement.

VERN E. LEWIS, Agent NEW SALEM, IND.

Miss Pearle Brookbank, daughter of Harrison and Rose Brookbank of Orange township, Rush County, Indiana was born March 24th, 1877. She grew up in the home, enjoying the companionship of her brother and sisters. Early in life she united with the Gowy M. E. Church. She was a teacher in Sunday School several years, also pianist. She was a live wire, in all Sunday School and church work which she greatly enjoyed. She was always willing and ready to do what she could. A few months ago, failing health prevented her from taking part in the services but her faith never failed her. She was a teacher of the Public Schools in Orange township. Her life was a life of service, having nursed her father and sister each through a long period of sickness a few years ago. For many months she had been in poor health. Everything was done for her in the way of medical assistance, for the restoration of health, she was ministered to by the loving hands of mother and sisters in every way possible. For days and weeks they were at her bedside. During which time she always greeted her friends with a smile, never complaining being so patient and calm, through all this weakness, leaving an example of patience and long suffering. Still thinking of serving others. She hoped she might be spared to take care of mother but this could not be. Near the close of day, March 27th, 1923 she said, "I have about there—I am ready! I am about there!" Immediately her spirit so quietly and calmly took its flight into the great beyond. Aged 46 years and 3 days, leaving mother, Mrs. Rose Brookbank, one brother Ira W. Brookbank, four sisters, Mrs. John T. Scull, Mrs. D O Alter, Mrs. C. D Alter of Orange township and Mrs. Ollie McDonald of Newcastle, two half sisters Mrs. Lewis Stark of Kokomo, Mrs. Francis Bennett of Kokomo, to mourn the loss of an affectionate daughter and loving sister. Her relatives, friends and neighbors feel they have lost a tried and true friend, whose memory will be cherished and evergreen as we journey along life's pathway. Sunset and evening star And one clear call for me And may there be no mourning of the bar When I put out to sea But such a tide as mooring seems asleep Too full for sound and foam Turns again home. Twilight and evening bell And after that the dark And may there be no sadness of farewell When I embark For tho' from out our bourne of Time and Place The flood may bear me far I hope to see my Pilot face to face When I have crossed the bar.
